#### **Amazon.com: Books**

Arctic Dreams by Barry Lopez is an extraordinary work that encompasses far more than just nature or the Arctic; rather, one could suggest that the book is a very lengthy consideration of finding one's humanity through nature, in this particular case via the experience of the Arctic. Throughout the long work by Lopez, the author gives ample evidence of a heightened sensitivity to the natural world that is almost matched by his fascination with & his expressive use of the English language.
