I took an IGCSE Chemistry course a year ago, and I must honestly say that this is possibly the worst chemistry text I have ever seen. CIE IGCSE Chemistry (0620) is a long-standing option. Three papers: a 1h Alternative to Practical, a 45 min Multiple Choice and a 1 hr 15 Theory paper. Multiple choice and theory are taken back to back (so effectively 2 hours), but the multiple choice element does assist someone who's not used to long exams, or producing long written answers.
