### Not I - Wikipedia

"Not I" is the language of the street; the voice of the poor howling from the margins of Irish society. As a member of the elite middle class protestant community, Beckett would have merely heard these disconcerting cries as he was being chauffeured through the slums of Dublin on his way to private school! Like Joyce, he lived most of his li

The Speaking Epiphany in Beckett's Not I. When reading Samuel Beckett's Not I, one immediately notes the repeated images that Beckett uses to illustrate an elderly woman's recollection of her first, delayed speech. The images include a flicker of light, the dull buzzing and roaring in her skull, a moving mouth, and a field in April, at first light but then entirely dark.
