Comparative Religion Books - Goodreads

Religious texts are texts related to a religious tradition. They differ from literary texts by being a compilation or discussion of beliefs, mythologies, ritual practices, commandments or laws, ethical conduct, spiritual aspirations, and for creating or fostering a religious community. The relative authority of religious texts develops over time and is derived from the ratification, enforcement, and its use across generations. Some religious texts are accepted or categorized as canonical, some n

"We've been using the Sadlier religion series We Believe Catholic Identity for many years at St. Agnes Academy. As part of the Boston College dual language program, we began using Creemos Catholic Identity this year which is a perfect option having both Spanish and English in one book. Sadlier offers a very user-friendly website and online materials that I incorporate daily into my lessons.
