Virginity is the state of a person who has never engaged in sexual intercourse. There are cultural and religious traditions that place special value and significance on this state, predominantly towards unmarried females, associated with notions of personal purity, honor and worth. Like chastity, the concept of virginity has traditionally involved sexual abstinence.

Virginity - Wikipedia

A virgin is someone who's never had sex. But people define "sex" and "losing virginity" in many different ways. What does it mean to be a virgin? A virgin is someone who's never had sex — but it's not quite as simple as it seems.
